Dr.K.Veeramani, M.A., B.L., D.Lit.,
Secretary
PSRPI

Committed to the service of uplifting the downtrodden of the society, following the footsteps of Thanthai Periyar. Students admitted here, irrespective of caste and status, are brought up with social responsibility and self respect to contribute their share to build a good society with humanism.

V. Anburaj M.B.A.,
Correspondent,
Periyar Group of Matriculation Schools

Success is not a destination. It is a continuous upward journey. Our Educational journey is pursued every year with new vigour and zeal to transform the students as the strong pillars of the society.

Vision

The Vision of the institution is to impart quality education with life values, multi-faceted skills and rationalism in order to make the students intellectually competent, morally upright, socially fit and rationally logical so as to enable them to emerge as useful citizens of the nation.

Mission

- To develop intellectual competence
- To develop creative thinking
- To develop scientific temper
- To develop leadership quality
- To develop mechanical skills
- To develop talent in fine arts
- To instill life values

Institution Profile

Periyar Centenary Memorial Matriculation Higher Secondary School founded in 1978 at Trichy in Tamil Nadu is known for its commitment of creating dynamic and loyal future architects of the nation. Ever since its inception, it has been successfully bringing about integral development of every student, that is physical, intellectual, psychological and emotional. Students are brought up with a global perspective to contribute to the progress of humanity and society.

This, in turn, sums up the aspiration of Dr. K. Veeramani, the Founder and Chairperson of the school, of fulfilling the Vision of Thanthai Periyar who envisaged a reformed society with education as the effective instrument.

We aim to put our children at the center of their own learning. Great emphasis is placed on nurturing skills and attitudes such as resourcefulness, resilience and co-operation.

The primary aim of the School is to prepare the students with an all round development to enable them to face the new challenges of the competitive world and we are sure that the leadership qualities, self confidence and self reliance inculcated in them will make them reach the pinnacle of glory.

The school is affiliated to the Matriculation Board of Samacheer Education System. The school prepares the students for the Secondary School Leaving Certificate and Higher Secondary Examination. Sports and other activities are given equal emphasis along with academics so as to develop an all round balanced personality. Qualities of leadership are inculcated and over all education in the school helps to create well disciplined students.

- KG Block equipped with audio visual aids and play material.
- A well stocked library with more than 14,000 books.
- Solar Power Plant.
- RO water facility in entire campus.
- Spacious class rooms with Smart Boards.
- Hands on Science Experiments by IKEN Scientific Lab
- Vast play ground.
- Open Air Stadium to accommodate 4000 students.
- Separate labs for Physics, Chemistry, Biology and Computer Science.
- Transport facility for students.
- Free Annual Medical Check-up for students in our Hospital situated within the campus

ISO Certification

We feel proud to have acquired the ISO 9001 : 2008 certification. Our school is the first school to get this pride in Trichy district. With ISO certification all our activities are pre planned and carried out.

Library

Books widen the knowledge and refresh the mind. So the school has a well stocked library with a collection of 14,000 books. A perfect ambience for peaceful reading is provided.

Communication Skill

To improve communicative English, we have launched English Communicative training classes from VI std. We mainly focus on LSRW skills. In addition to this we have phonics English from LKG to V std to develop the reading skills through online classes.

Academic Facilities

New Execution in Teaching

Smart Class

We are in the era of technology. Students are more comfortable with the tools of technology. So the conventional Chalk and Talk method of teaching has been replaced by SMART CLASS, a latest educational technology for the students to learn with effortless ease.

IKEN Scientifica Lab

To enable the students to gain hands on experience in carrying out scientific experiments, a special lab is set up with various instruments for the students to operate and learn the concept in depth.

Computer Literacy

Computer knowledge is imparted to students from Std-I onwards. An interesting, interactive and experimental mode of learning is provided in the air conditioned computer labs.

Newspaper in Education

The habit of reading the newspaper must be nurtured from childhood. In order to make the students gain knowledge about current affairs, English Newspaper is supplied to them daily.

Science Laboratories

We have well established Physics, Chemistry, Biology and Computer Laboratories in our school which can cater to the needs of all the students to gain a hand on practical experience.

Academic Facilities

Counselling & Guidance

In this advanced age of technology, chances are there for the students to go astray. We educate the students about the proper usage of internet, cell phone and video games. Adolescent age problems can be overcome by proper counselling. The higher class students must be given proper career guidance. We invite experts to give counselling to the students at regular intervals.

Academic Excellence

- Consecutive 100% meritorious result in X & XII std Public Exam.
- Successful implementation of CCE (Continuous Comprehensive Evaluation).
- Special care for the academically backward students to make them future achievers.

Skilfull Teachers

The faculty of our school is a strong backbone, having faith in values, principles and purpose of teaching and consider the all round development of student as their prime object. The faculty having an extensive teaching experience playing a crucial role in shaping student's personality.

Android Mobile Application

Parents can get information about their child such as attendance, homework, holidays, school events and celebrations, activities and GPS for school transport through their android mobile application. We are the first educational institution in Trichy to implement this.

Graduation

Graduation Ceremony for K.G

Celebration in KG Section :

100th Day in LKG : On Completion of one hundred days in LKG, the 100th day is being celebrated with all parents inviting their opinions and learning outcome of their kids in 100 Days.

Grandparents Day : To pay due respect to their grandparents our KG kids presented medals to their Grandpa and Grandma.

Our Institution conducts graduation ceremony for K.G students before they graduate at the college. The function will be a colourful event and eye-catching to the parents.

Yoga for Good Health

Sound mind in a sound body. We impart basic yoga and pranayama to seniors. This will make them concentrate on studies without mind distraction.

SUITS

"Students - University - Industry - Tie-Up Scheme" is offered by the "Bharathidasan University" Trichy. It creates the future Scientist, IT applications and technologists. Through this scheme our school students simultaneously become students of the University.

Suits

Phonics

Phonics (Level I - UKG & I Std)

A method of teaching to read by correlating sounds with symbols in an alphabetic writing system. A method of teaching beginners to read and pronounce words by learning the phonetic value of letters, letter groups and especially syllables.

Phonics (Level II - Online Foundation & Pre-Primary Course)

Focusing on enriching the skills of the students of II to V standard. It involves in providing quality educational content with the correct blend of technology to facilitate the teachers / mentors of the school in delivering superior learning to the students through online.

Co-Curricular Activities

We strongly believe that students have numerous potentials within them. To bring out these hidden talents of the students, opportunities are provided to them to excel in Dance, Yoga, Art and Craft, Dramatics, Elocution, Quiz, Debate, Essay Writing, Poem Writing etc. Students can participate in inter and intra school competitions and be free from fear.

Due emphasis is given to sports activities also and students are trained to participate in Zonal, District, State and National level competitions.

In this arena of competitions, the skills of the students are identified and polished to make them march ahead of the crowd.

Beyond Academics

Extra Curricular Activities

To make the students to realize their social responsibility, they are encouraged to be part of the Movements i.e. Scout and Guide, Junior Red Cross, National Green Corps, Road Safety Patrol and Red Ribbon Club. They are groomed to have concern for the society. These activities are designed to enable them to grow with noble values.

Awards & Rewards

Our students are encouraged with constant appreciation. They are recognized with awards and rewards to make them strive better and realize their full potential. Endowments created by our donors also play an important role in motivating the students.

Transport

Vans ply along with care takers to ensure safe and secured transport for wards in and around Trichy at affordable cost.

Hostel Facility

Hostel facility with good care and homely atmosphere is available for girls.

The motto of the school is
"STRIVE TO SUCCEED"

To be true to the motto, the students are made aware of the value of perspiration and are trained to put their maximum effort to attain success.

Chess

Research shows that chess helps to prevent Alzheimer's. The practice of chess gives exercise to both side of the brain. It increases creative skill and improves memory power.

Silambam

Silambam is an ancient martial art which people think is mainly for self defence. However, it also has its health benefits. Silambam is a good cardio workout. It makes the cardiovascular system work efficiently.

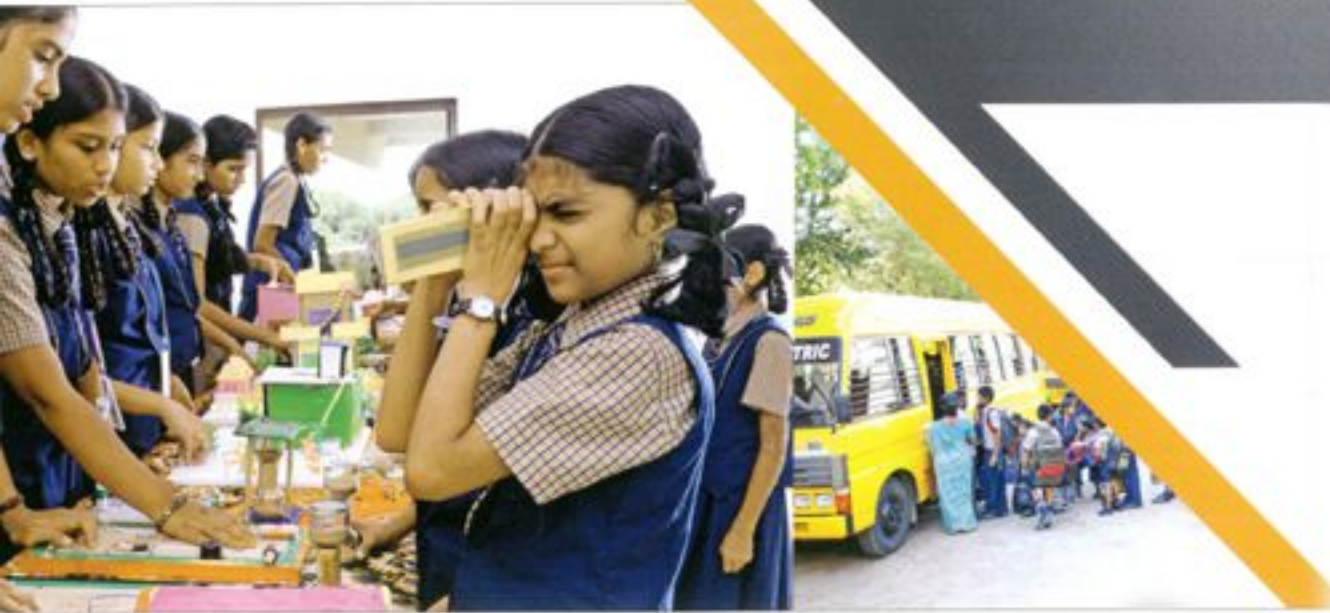

Admission Procedure

- Admission from Nursery to Std IX is considered on the basis of age and availability of seats.
- In Primary and Secondary Course, the applicant will be admitted after a counseling session.
- In the first year of Higher Secondary class, the applicant will be admitted on the basis of marks secured in Std-X Public Examination.
